Tuesday 7:00-9:00 PM

APCCA Annual General Meeting & Information Night

Councillor Mairin Loewen,
School Board Trustee Bronwyn Eyre, and
Anthony Tataryn Fire & Protective Services

Hugh Cairns School
(enter main doors 2621 Cairns Avenue)

Coffee and snacks..... a short meeting with the
voting of board members. If you are interested in
getting involved this is your chance.
An informal setting, everyone welcome.

President's Message: Deb Hockley

Hello everyone and thank you for taking the time to read our newsletter. The purpose of this newsletter is to promote our community and keep our residents informed. AGM dates, program registration nights, and community news needs to be shared. Since I enjoy putting this newsletter together I get to say a few words. So here are my words for this month. If you like what you read....follow updates via our website or on facebook. Or just drop me a line and I would love to talk to you. It's my hobby..... as VP Kris Sargeant says "Deb... you are like the King of Kensington."

What is on my mind? Many people move to newer locations in the city, however our 1950's neighbourhood has so much to offer. It has easy access to everywhere since the completion of Circle Drive bridge. It has wonderful schools, amazing churches, and most importantly our own local shopping mall. Here's some interesting information from the City of Saskatoon website:

"During the post-WWII years, a new community grew up south of Taylor Street. In 1957 it made history by becoming home to Saskatoon's first shopping mall at Taylor and Clarence Avenue. Today, the needs of the diverse population are represented by the Adelaide Park/Churchill Community Association. This volunteer, non-profit organization was established to meet the educational, recreational, and social needs of residents, to promote a sense of community and enhance quality of life in the area. New members are always welcome."

We are a diverse population and it is APCCA's intention to get to know you and your needs. The only way this can happen is for us to hear from you or see you. Please consider this a personal invitation to our AGM on Nov.26th. It will be a great evening with refreshments, snacks and a chance to talk about important issues in our neighbourhood and city. Believe it or not you will also be able to purchase your \$15 APCCA membership at this time.

We are ending the year 2013 with new traffic controls, increased school enrollments and, an amazing volunteer built playground at St.Philip school (ltbkfalcon.park.blogspot.ca). We have new home owners at the Churchill Gardens Condominium (with phase two development in full swing). We had a super Family Fun Day in June with jump houses, live music by the band the Capitols, wagon rides, games, Balloon Funn, crafts, great food and fields full of soccer games. APCCA programs are running and teams are formed. Online registration was well utilized and winter programs are ready for 2014. There's lots of excitement in this part of the city. We have been busy and we would love to see our executive grow. It's time to Join Us.

I would like to thank our executive for their time and willingness to build a strong, connected and healthy community. You have donated your time to develop programs, recruit coaches, build rinks, create social events, administer finances, and most importantly build friendships. Simply said, you are so appreciated and needed.

It is time for everyone to think about how they can contribute to our Community. Together we are better. We hope you have a wonderful winter full of fun, family and friends. Reach out, step out and make it happen.

Our APCCA newsletter is delivered to approximately 1500 homes in the APCCA neighbourhood, as well as posted on our website. Send your submissions to deborah.hockley@zehoc.com. \$50/business card ad, \$75 for 1/4 page. Thank you Family Pizza, St.Philip and Hugh Cairns schools for circulating our newsletter. Thank you to the volunteers on foot. You are amazing.

APCCA Connects With Our Schools

HUGH CAIRNS V.C NEWS: Bob Shmon(Principal) & Don Burgess (Vice-Principal)

Hello from Hugh Cairns V.C. School!

Greetings from Hugh Cairns V.C. School! We have had a busy start to the year. Our enrolment is up 43 from the end of June giving us a total of 304 students. We have 47 new kindergarten students and because of this have added a new kindergarten room and teacher.

We are in our second year of teaching students how to understand and use the inquiry process to learn. Expository writing has been identified as one of our priorities this year, so teachers have been receiving professional development in how to connect inquiry to expository writing. Math is our other priority and our goal is to teach students the skills needed to engage in grade level mathematics. One of the ways we will do this is by using open ended tasks to extend students' learning in the area of number sense. In addition, we have also been focusing on character education. Based on the book Building Moral Intelligence by Michelle Borba, students have been taught about the virtue of Empathy. We are currently studying the virtue of Conscience which will be followed by the virtue of Self-Control. Four other virtues will be taught after Christmas.

The school has been abuzz with many extra-curricular activities. Early in the year our cross country running team was training and competing. For the past several weeks, grades 7 and 8 boys and girls volleyball teams were playing against other schools in our zone. Recently our junior and senior choirs have been practising in preparation for the Christmas performances scheduled for Thursday, December 19. An afternoon concert will be at 1:00 p.m. with an evening concert at 7:00 p.m. Term 1 progress reports go home on November 22 with Three Way Conferences scheduled for Thursday, November 28 from 4:00 – 8:00 p.m., and again on Friday, November 29 from 9:00 – 11:45 a.m.

Thank you to our entire school community for their continued support and commitment to our many activities. Remember, "Together we are better!"

Our schools are small but mighty. They offer the best education that you can find. We have teachers that care and families that get involved. The wonderful teamwork happening in our community will be celebrated this December 3rd at St. Philip School. The Adelaide Park Churchill Community Association, Hugh Cairns V.C. school and St. Philip school volunteer boards are uniting and celebrating our community strengths.

If you would like to be a part of this inaugural event give Deb a call 306-664-2832.

ST. PHILIP NEWS : SHERRY MCLEAN (PRINCIPAL)

Happy Winter! With the first snow fall yesterday, the students and staff of St. Philip are already gearing up for a season of fun in the snow and we are excited to announce that our new playground will make this winter even more fun! The Falcon Park playground build took place Saturday, November 16th. We were blessed to receive a National award through the Let Them Be Kids Foundation and we thank the numerous donors who also financially contributed to this project. Thanks to everyone for participating in our many fundraisers including the most recent, Falcon Park Casino night. Special thanks to the volunteers for coordinating this awesome community event. We wish to also take this opportunity to thank the many community members who volunteered their time and energy to assist with the playground planning, preparation and build and we especially thank the Falcon Park Committee members; Marty Edwards, Roberta Hoiness, Robert Jungwirth, Karen Kelly, Dr. Ryan Lacoursiere and Charlene Siwak. Your dedication, commitment and perseverance to this project is commendable and appreciated by all. Finally, we are pleased to announce that the Falcon Park Playground is dedicated to the Veterans of the Vets Village in the Sherbrooke Centre. We thank them for their many sacrifices and their dedication to world peace. Our staff and students look forward to our continued community partnership with the Veterans of Vets Village.

Welcome to our many new staff members, students and families. St. Philip School strives to be a welcoming community where we nurture faith, encourage excellence in learning and inspire students to serve others, making the world a better place. This year our learning improvement goals focus on the areas of mathematics and faith. Greater Saskatoon Catholic Schools has purchased the site license for the program Mathletics for all elementary students. We are encouraging all of our students to participate in Mathletics for a minimum of fifteen minutes per day to increase their understanding and skills in basic math concepts. Our faith goal revolves around our upcoming school wide faith retreat taking place on January 29th and 30th. We are excited to welcome Pure Witness Ministries to St. Philip School for our upcoming "Faith in Action" retreat. Thank you in advance to the grade seven and eight students who will be volunteering at a variety of community service agencies including; the Salvation Army, Saskatoon SPCA and L'Arche Homes.

All of our families are invited to celebrate the Advent season at our Advent Evening of Peace celebration on Thursday, December 5th at 7:00 pm at St. Philip Neri Parish. We will be celebrating this season of peace together in poetry, song and prayer. All are invited. Lord, Jesus, you bring us peace by your love and forgiveness. Help us to be peacemakers in our homes, school and community so that we may share your peace with everyone we meet. We ask this name in the name of Jesus, our Lord and Prince of Peace. Amen. The staff and students of St. Philip wish everyone a Christmas filled with joy, love, peace and family.

APCCA Winter Programs & Registration Night

Tuesday January 7, 2014 at Hugh Cairns school Library 6:30-8:00 PM

APCCA and SNP are working closely together to provide families with affordable and accessible programs close to home.

Thank you for taking part and making our effort worthwhile.

It is great to see kids, adults and families together in our gyms, classrooms , rinks and fields.

Programs marked with “*” are shared with South Nutana Community Association. Each Community Association has a maximum number of participants they may register. After their numbers have been reached a wait list will be started. Once all in-person registrations have been completed, if there are still spaces available, those on the wait lists will be contacted.

Those participating in programs identified as “Free” MUST register prior to the program start date and must be a current community association member (membership card must be valid to July 2014).

COMMUNITY HIGHLIGHTS

HCVC RINK COORDINATOR: Greg Epp

In just a few short weeks we will again have the Hugh Cairns rink up and running. We are looking forward to seeing all the people from the community (young and old) out on our rink during the winter season. If this year is anything like last year we will have a large amount of snow to clear over the next few months. It takes a great deal of time to continuously move snow from the rink and I want to thank all of you that have volunteered your time to help maintain and supervise this great ice surface. Last year we left shovels out to be used to clear snow. If you are using the rink please give us a hand by clearing the snow off whenever it is required. We have a small group of regulars that help out by either flooding or moving snow off the rink. Given the level of effort it takes to keep the Hugh Cairns ice in prime condition we are looking for some additional help. If you are able to help with rink supervision or clearing the rink after a large snowfall please send me your contact information via email to gepp@sitefindergps.com. Thanks, I look forward to seeing you at the rink!

 Shreddies. A video of genuine goodness.

Many hands make light work therefore if your family enjoys using the APCCA rinks at St. Philip or Hugh Cairns please consider getting involved on the rink committee in some way. We are easy to find just give us a call.

APCCA Annual General Meeting and Information Night Nov. 26th. HCVC School 7-9 PM.
Come and meet of special Guests and our APCCA executive.
This is our chance to welcome you to the neighbourhood.

Should an emergency situation arise in our city, be it severe weather, a dangerous goods spill, or an airline crash, a range of agencies must pull together to provide a coordinated response.

It's also very important that businesses and households develop their own emergency plans. Our disaster Home Preparedness Plan is full of tips for you and your family.

Come and meet Anthony Tataryn, Saskatoon's Emergency Measures Organization Coordinator.

Councillor Mairin Loewen presently serves on the Planning and Operations Committee, the Audit Committee, the Meewasin Board of Directors, and the Library Board. In addition to her Council duties, Mairin works at the University of Saskatchewan and is completing her M.A. thesis in Political Studies. Mairin spends her spare time volunteering, playing sports, and staying active in the local music community.

BOBCAT MOMS MAKE A DIFFERENCE

It was a special moment in May when our newly formed Bobcat Moms group came together. Our clothing club transformed into "the Bobcat Moms on a mission club". Our first evening of socializing turned into a night of baking cookies for the Ronald McDonald House. Now each month our hosts comes up with her choice of where to share our energy and good will. So far, the Bobcat Moms have collected items for the Crisis Nursery, toiletries for the food bank clothing depot, and non perishables for the food bank. In November our amazing friend chose the Canadian Blood Services as our mission. We donated and this was life changing for us. A personal invitation to head to the blood donor clinic was all it took. Together this little group of friends are having fun, connecting, and realizing how great it is to make a difference together. The challenge is on. Now you know our story we ask you to share yours.

 Adelaide Park-Churchill Community Association

We make a living by what we get, but we make a life by what we give. (Winston Churchill)

A friendly reminder from the City of Saskatoon to return your garbage & recycling bins to personal property within 24 hours after your scheduled pick up. If this does not happen you may be subjected to educational notices, warnings, and fines.

COMMUNITY HIGHLIGHTS

My name is Jonah Cey, I joined diving when I was seven. It all began when I asked my mom if I could start diving after we had watched a diving competition on TV and I joined a week long dive camp with the Saskatoon Diving Club. After the camp the head coach, Steve Carroll, invited me back I and started diving competitively. I have now been diving for seven years and have been to four Nationals and one Canada Games. I encouraged my sisters to join and they love it! I also love diving and hope I never have to stop.

I was honored to represent Saskatchewan at the 2013 Jeux Canada Summer Games, in Sherbrooke, QC. It was an amazing experience; not just being at the pool diving, but watching the other events was almost as exciting as competing in my own. The way I think, it was just like a mini-Olympics! My favorite part was having so many supporters, from friends and family, to coaches and other athletes. Although this was only my first summer games, and at 13 I was among the youngest competitors, my goal is to attend the 2017 Summer Games in Winnipeg.

I competed in four events in Sherbrooke and Montreal. My first event was tower. I had the highest hopes for tower because I had just earned a seventh place finish at Nationals, in this event. But because I had different dives and different competitors I got 18th. My next event was three meter springboard; I dove as best as I could, and got 24th. Next, I had one meter springboard and had an off day. I did not compete to the best of my abilities and got 25th. My final event was three meter synchro and my partner and I dove amazingly! We managed to pull off a top 10 finish and placed ninth. This was the first time I had ever competed synchro and my partner, Jayden and I, were very pleased with our results.

Before Canada Games, diving has taken me to Nationals in Montreal, Winnipeg and twice in Saskatoon. As a Canada Games hopeful, I had the privilege of two trips to Cuba for training. This year I have Germany trials in Ottawa and possibly another Cuba trip. Diving has helped me to set and achieve goals. It is an individual sport and I am responsible for my successes at competitions as well as my failures. I love training, competing and can't imagine life without diving. I hope to find myself competing for Canada one day at the Olympics.

Why should you volunteer? What is the point of a community association? Do you take part in community events, do you have kids, do you wonder what is going on in the city. This is how APCCA helps our community. We inform and create programs for our people. Check out our website and see how you can get involved.
www.adelaidechurchill.ca

Soccer Coordinator-Amber Fawcett

Our indoor season is off to a great start. We have 7 teams registered for the 2013/2014 season. A big thank you to our coaches, Darla Walde (U6), Dave Deibert (U6), Keith Gipman (U8), Murray Nelson (U8), Cynthia Foster (U8), Doug Agren (U10), and all of the parents on the U10 girls team. Your time and dedication to each player is greatly appreciated and our community thanks each of you! A new pilot project that each U10 team has been a part of is the "shooting stars program". This has provided our developing players with additional practice time with experienced coaches of the Eastside Zone soccer.

"The Shooting Stars program is designed around the Long Term Player Development model or known as LTPD. LTPD is a program adopted by all major sports in Canada. It is unique in that has player development, training, competition and recovery based on biological age(i.e. physical maturity) rather than chronological age. It is player centered, coach driven and administration and sport science supported."

Thank you for another successful year!

Basketball Coordinator-Jackie Thakore

Our APC Basketball program is in full swing with a total of 56 players on five teams in the spuds, mini and bantam divisions. Our coaches and players have been practicing at Hugh Cairns and St. Phillip gyms since early October and league play began on October 19th. Our APC teams and families recently attended the PAC Huskie Basketball event at the university where our Mini Boys team showed off their skills during the half-time. Thank you to all of our coaches for your time and commitment to the APC Basketball program, your efforts are appreciated. Good luck to all our teams, and I hope you have a successful season!

THANK YOU to the businesses, schools, and organizations that support our community efforts throughout the year. Your sponsorship, donations, and various forms of contribution to our yearly activities help create excitement for our families. To our volunteer coaches, newsletter carriers, event day volunteers and executive.....you are so giving of your time...without you we could not build community. Thanks parents who understand the importance of sports, recreation, and cultural activity. To the community members that understand the value of volunteering- there are so many of you sharing your time with us and other organizations. We want to hear from you and to share your stories. Look us up, come to our APCCA meetings, or give us a call. Thank You.
