Administrator's Message

Thanks to all families who supported our Jump Rope for Heart fundraiser. The grand total raised was over \$5,500. AMAZING! It was a wild assembly with the EGG Cracking! Thanks to all staff who volunteered to take a chance on having a raw egg cracked on their head. Mrs. Jackson was the ONLY staff member who escaped a raw egg cracked on her head; LUCKY! Thanks to Mrs. Jackson and Mr. Lesyshyn for organizing a fun fundraiser!

Congratulations to the Senior and Junior Badminton Teams. The Junior team took Second Place at the tournament! All athletes represented HCVC well. Thanks to Mr. Nelson, Ms. Beres and Mr. Apesland for coaching.

Four of our HCVC students were chosen to attend the Regional Heritage Fair in Saskatoon last week. Dylan B., Davyn, Hanna T. and Hannah B. Their projects were incredible and they presented their knowledge to many people during the fair. Hannah B won an award in the Indigenous Knowledge category. Congratulations!

It is with mixed emotion that I share the news of Mr. Alex Akoulov, our building operator, leaving Hugh Cairns to take a position at King George School. He has worked tirelessly to create a clean and lovely environment in our halls and rooms in the school. We have all learned to take better care of our school due to his diligence. Mr. Akoulov will now be closer to home which is so important for him as he bikes to work every day. We wish him all the best. Mr. Henry Meyer will be joining us on May 22nd and I know he comes with a wonderful reputation of integrity to service and will carry on the work of taking care of HCVC School.

On May 16th, it is Saskatoon BIKE, Scooter or walk day work or school day. The event is a great way to enhance green initiatives already happening at your school, build community and highlight the benefits of active transportation—like less congestion outside your school, and healthy, energized and alert students. We hope to have many students and staff participate. If students are coming to school on alternative modes such as bikes, scooters, or inline skates we ask that they **DO NOT ride on the tarmac.** It is also very important that all **bikes be locked up securely on the fence** by the south parking lot as there was a bike lock cut last week. Scooters and skates can be carried to classrooms for safe keeping. Students in grades one to eight are being treated to Opera in the School this week. Thanks to our SCC for supporting us to be able to attend. **We are walking to Prince Philip to see the show!**

The Saskatoon Open Door Society has located their office in room 1303 of the school. They were formally located at Evan Hardy Collegiate. These SWISS workers support Newcomers to Canada and Saskatoon, who are part of Saskatoon Public Schools. We welcome them and even though they will not all work with our students and families, our HCVC children will get to know them when they are in the building. Our School Community Council (SCC) and Parent Council are a group of energetic parents who support and organize so many wonderful learning opportunities for students and events for community. On **May 28th**, there will be an **Annual General Meeting** at which time council is formed. All parents, caregivers, and community members are welcome. If you require childcare in order to attend please call our office 306-683-7270 by May 24th to let us know. We hope you can join us at **7:00 p.m. in our LRC.**

Cheers!

This year's Jump Rope for Heart was an "eggcellent" success! Raising just over \$5500.00 students and families showed their continued commitment to the Heart and Stroke Foundation and to supporting Hugh Cairns V.C. School. Last Friday afternoon, we celebrated our success, honouring our top fundraisers. Cole C. in grade two raising the most money, Liam S. in grade two the second highest amount and Courtney and Tyler H. raising the most as a family. Together these four students raised \$1998.00! Once final totals are calculated, prizes will be ordered and sent to the school. Gift cards will be sent directly to students. Finally, thanks to the Heart and Stroke Foundation approximately \$500.00 will be given to the school to purchase recess equipment for your children.

Milk Program

All prizes for the past two milk contests have been distributed. Check out the bulletin board by the gym for some very creative and colourful cow pictures. There will be at least one more winning Wednesday through the milk program.

A reminder that milk cards can be purchased at each milk station. A card costs \$12.00 which is good for 10 milk.

IS YOUR CONTACT INFORMATION UP-TO-DATE?

At Saskatoon Public Schools, the safety of our students is our first priority. As part of this commitment, we believe in providing comprehensive means for communicating with families. It is our goal to provide you with important information promptly when necessary.

In the case of urgent situations that cause disruptions to school operations we will notify you through a mass notification system, Everbridge. This may include severe weather, water main breaks, power outages and school lockdowns. Please ensure your contact information is up-to-date with your child's school.

If you have any questions, please contact your school principal.

Inspiring Learning

ATTENDANCE REMINDER: It is the school's policy that all absences be cleared by a parent/guardian. Please call the Main Office or email your student's teacher every time your son/daughter will be away from school.

We have a new total of donated shoes! We are now up to 200 pairs! We will continue to collect gently used children and adult runners, winter / rubber boots, and dress shoes until the end of the year. Your donations do make a significant difference in the lives of so many other youth and adults. Thank you again for your continued support of this community initiative.

The annual grade 5 to 8 school track meet will be held on Tuesday, May 29 in the afternoon. In order for this event to be as successful as it has been in the past we require the assistance of at least 12 parents to help with the various events (timers, measuring). If you are able to help out from 12:30 – 3:30 p.m. please let your son/daughter's home room teacher know. Thank you for your support of this event.

A BIG thank you to the two organizations SASK TEL PIONEERS and SASK MILK. Both organizations have sponsored a Spark bike which are now in the grade 6/7 and 7/8 classrooms. Their generous donations made it possible for these classes to have a stationary bike. We are the only school in Saskatoon to have at least one Spark bike in each classroom. A BIG thank you as well to Doug's Spoke N Sport who have helped do some maintenance on the bikes to keep them running smoothly.

All classes have now received new recess equipment for the students to enjoy and keep active. Basketballs, volleyballs, playground balls, scoops, hula hoops and skipping equipment are some of the items placed in the various classes.

Congratulations to our junior and senior badminton teams who practiced hard and who represented Hugh Cairns so well this past Saturday at the city wide tournament. A huge thank you also goes out to Miss Ber-
es and Mr. Nelson for coaching again this year.

1 or 2 days a week doesn't seem like much but....

If your child misses.....	That equals....	Which is....	And over 13 years of schooling that's.....
1 day every 2 weeks	20 days per year	4 weeks per year	Nearly 1 ½ years
1 day per week	40 days per year	8 weeks per year	Over 2 ½ years of school
2 days per week	80 days per year	16 weeks per year	Over 5 years
3 days per week	120 days per year	24 weeks per year	Nearly 8 years

How about 10 minutes late a day? Surely that won't affect my child?

He/she is only missing just....	That equals....	Which is.....	And over 13 years of schooling that's....
10 mins per day	50 mins per week	Nearly 1 ½ weeks per year	Nearly ½ year
20 mins per day	1 hr 40 mins per week	Over 2 ½ weeks per year	Nearly 1 year
30 mins per day	Half a day per week	4 weeks per year	Nearly 1 ½ years
1 hour per day	1 day per week	8 weeks per year	Over 2 ½ years

EVERY DAY COUNTS

If you want your child to be successful at school then YES, attendance does matter!
