Adelaide Park Churchill Community Association

Welcome to another year of recreational programs in our Adelaide Park and Churchill communities! Last year the APCCA offered over 200 hours of programming, raised more than \$1500 for STARS, and welcomed people of all ages to our outdoor rinks. With no intention of slowing down, our team has several new directors that are currently planning new and exciting initiatives to be rolled out in 2019. Our first achievement saw a new online registration system and website come to fruition. I'm anticipating more big things for our communities this coming year, and I am thrilled to be at the forefront of it all.

Your APCCA President,
Leah Luciuk
