Fitness*	Gym	Jan 24 – Mar 27		-
*Programs shared with south	Nutana Park Community Associatio	on.		

Website: myapcca.ca Facebook: Adelaide Park - Churchill Community Association

Hello Adelaide Park Churchill Families and thank you to all those who participated in, volunteered and put on another season of Community programs. At a time when more families are travelling out of the community to participate in a wide variety of programs, those offered at the Community Association level remain important as a close to home, introductory and affordable way to participate alongside others from around our neighbourhood. On January 14, 2020 we will be holding our in person registration, (6:30-8pm), as well as a community skate and hot chocolate night, (5-9pm) where we will enjoy meeting with as many neighbours as possible. Online registration runs December 23rd-January 13th and can be found on our website, (myapcca.ca) or Facebook page, (Adelaide Park-Churchill Community Association). To register for any programs a membership needs to be purchased for \$15, which works for programs in any Community Association. These membership fees are part of what keep our rinks running, updating equipment we may need for programs, and help with any cost to the social events we plan through the year. So even if you may not be registering for a program the purchase of a membership can be seen as a much appreciated donation.

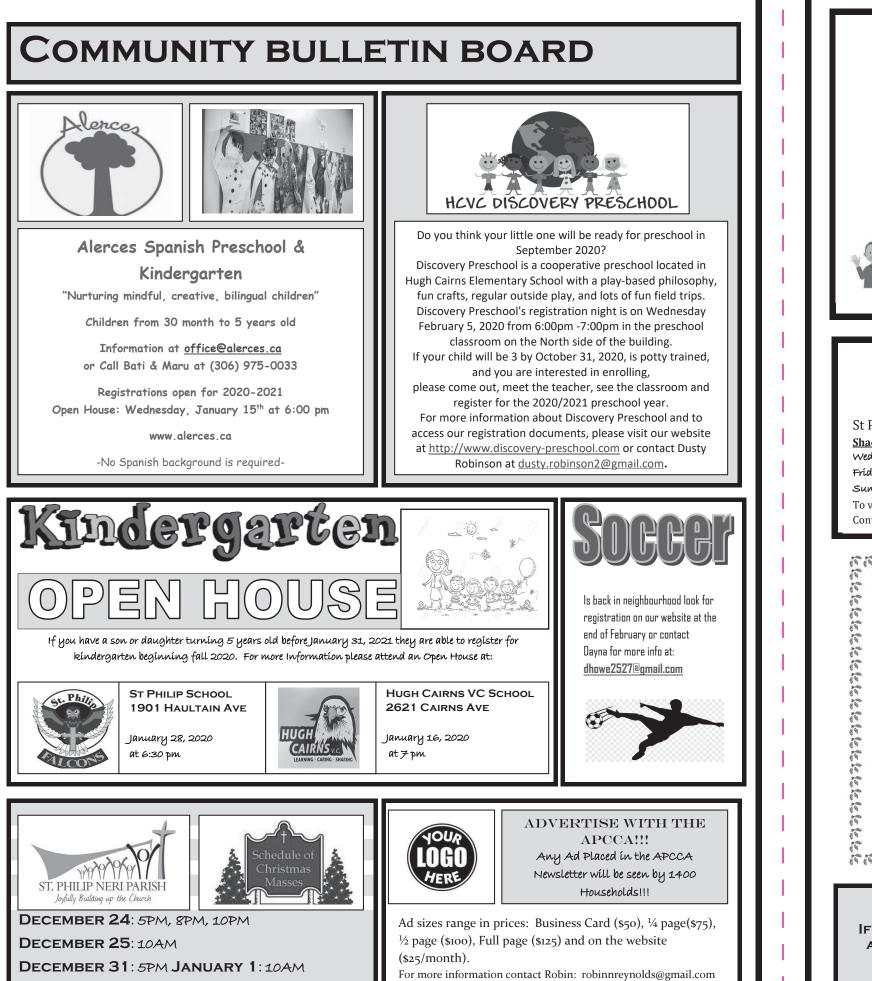

This summer we held our first annual Fam Jam in the Park in a new location at Churchill Gardens. Our Social Coordinator, Jania, along with volunteers, put on a wonderful event that offered workshops, vendors, bouncy castles, wagon rides, food, music, and... buckets of rain! Despite the weather our spirits were bright and Fam Jam will be back in June 2020.

On November 1st of this year we held our Halloween Bingo and AGM. We would like to thank all who came out to enjoy a game and listen in to business as usual, as well as a report from our ward 7 Councillor, Mairin Loewen. Leading up to this meeting we had let everyone know that our board had been dwindling and we may not be able to run our rink at Hugh Cairns VC School. I am happy to report that a number of Community Members stepped up to volunteer, (8 in total!), and we will indeed be able to enjoy our rink this winter! What a relief! There is a new found energy around the table now, and some excitement to offer some new programming that we think will really offer a little more "Community" to our community. Please see our program list and descriptions on the following pages; perhaps something will strike your fancy! All the best this holiday season,

Hugh Cairns VC School Shack Times and Supervision Friday 7-9pm Saturday 1-3pm Sunday 1-3pm

To volunteer or for any other inquiries Contact Riley Day: riley.day@usask.ca

New and exciting **Programs being put** on by the APCCA this winter

"Drop in Sports Fun" and "Drop in Family Fun and Fitness" Unwind after a long week as a family with an hour of one sport, (soccer, floor hockey, basketball, etc), introducing a variety of sports to determine interest in children, followed by two hours of open gym. This evening is designed to get everyone out in the winter, in an affordable way, and to build community connections.

"Gírls on the Move" is a

program funded by our city youth grant, and only registration is required. Every week the girls will meet with their peers and a leader to participate in an active portion followed by a creative activity.

"Youth Drama Workshop

Weekend" is another free but registered activity being offered this year for children ages 10-14

"Woodworking Basics"

Is being offered for ages 10-12 years old, taught by a journeywoman carpenter, focusing on fundamentals and safety, creating small projects using found and recycled wood.

"STEM, (Science,

Technology, Engineering, and Mechanics)" is the perfect

way to get your 7-9 year old children out for an hour of curiosity and experiments, such as building balloon rockets and tops, (the original "Beyblades").
